From the Principal

The NAPLAN assessments were completed this week by all students in Year 3 and 5 in Primary schools around Australia. They will now be sent away and schools and families will receive information pertaining to your child’s achievements later in the year.

In HSE this term the students are completing the unit of work titled, “The way we were”. You may like to discuss stories of when you were a child and how things have changed with your children. In science this term we are studying a unit named, “Toys can move”. For this unit Mrs Brown would like all the students to bring in 2 toys next Thursday, one battery operated and one non-powered toy. If you have any questions regarding this please see Mrs Brown.

All the students are working on their Fundamental Movement Skills (FMS) this term and will play games associated with the skills.

Environmental Education will continue on Fridays with the students participating in the weeding, harvesting and watering of the herb and veggie gardens.

Each student has now been issued with their own DEC user name and password which they will need to practise typing in each day by themselves to log onto the DEC student portal. They will also be completing Computer Education lessons this term with me. They will learn to use Word 2010, Publisher 2010 and Powerpoint 2010. For Stage 2 and 3 students there will be research projects to complete.

If you would like your child to be part of the Beef Week Parade, please speak to me as there is the opportunity for all the Local Small Schools to Parade together on Saturday, 31st May at 1.30pm.

Kerry Flick
Relieving Principal

We have been using our fantastic playground.

**Dates to Remember**

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>Thursday, 22nd May</td>
<td>Bring 2 toys to school Day-1 battery powered and 1 non powered.</td>
</tr>
<tr>
<td>Friday, 23rd May</td>
<td>Walk Safely to School Day</td>
</tr>
<tr>
<td>Saturday, 24 May</td>
<td>Beef Week Begins</td>
</tr>
</tbody>
</table>

Gage, Joe, Adam, Mrs Brown and Sarah working on their Fundamental Movement Skills.

We like using the interactive whiteboard.
